

FLAWLESS SKIN INVISIBLE FOUNDATION

New Lakmé Invisible Finish Foundation. For all Indian skin tones.

Wear a flawless, natural complexion with this super-blendable, water-based formula which melts into your skin. The result: Flawless coverage with an invisible finish. SPF 8* sunscreen protects your face from the sun and darkening. Developed by Lakmé make-up experts, the 6 new shades are matched perfectly for you.

97% Indian women agreed the foundation gave them a flawless complexion and helps hide imperfections**

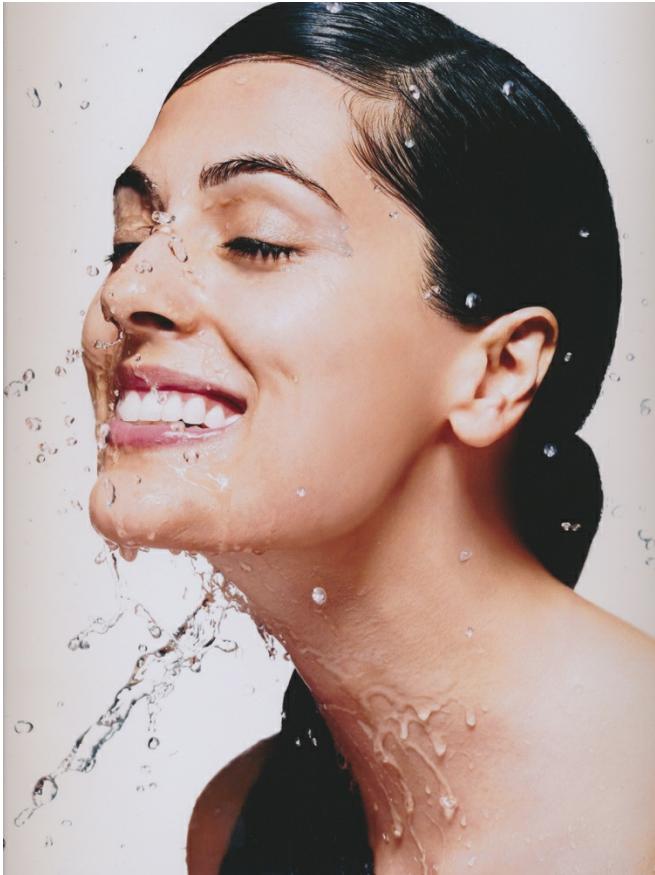

Amrit is wearing shade 02.
