MIDAS TOUCH

Embellished nails (as seen at the Libertine show) too much to try at home? Switch up your French mani by swapping white for gold touches. Paint nails a nude that suits your skin tone, then use the side of the nail polish brush to trace tips with bands of gold. >

GILDED LIDS

If taupes and tawny tones are your go-to, trade them in for spring's new neutral — gold, seen at the Kate Spade SS19 show. Pump up your pigment by priming lids, then sweep on gold shadow up to the brow bone. Finish with a single coat of mascara and brushed-up brows for definition and drama. >
