### Bomber Jacket

**What It Says About You**  
You rock a tailored suit every day with no qualms, but your love for Stan Smiths runs way deeper. Bombers were made for every man's favourite dress code: smart casual.

**Where to Wear It**  
Pretty much everywhere. If wearing it with a longline shirt is too risky for you, play it safe with a tucked-in button-up shirt and tie. Choose a printed bomber to make a real statement.

**KNIT GOLF**  
No, golfers aren't just for grandpa. Use it to tidy up the rest of your look.

**SMART SNEAKERS**  
We all need a pair to wear with jeans – and the odd suit too.
