A photograph of a man in a dark suit and white shirt sitting in the back of a car. He is holding a phone to his ear and looking out the window. The car's interior is visible, including the seats and a small table.

DRIVEN

With an obsessive focus on your comfort we've just invested in the new 2014 Mercedes-Benz S-Class. This provides busy executives with everything they need to work productively and relax effortlessly - including airline style tables and a fully reclining seat with integral massage function. This is service without compromise.
