WHO IS MARCIEL HOPKINS?
@marciellhopkins

Motivational speaker and curvy model Marciel is giving the fashion industry something to think about by discarding the social conventions of what it means to have the "perfect" body.

FAVOURITE JEANS
High-waisted

WHY?
"I have quite a hollow back. High-waisted jeans accommodate my body type by accentuating my waist area and providing the ultimate comfort."

'Curvy girls tend to over-layer when dressing up. Opt for high-waisted jeans and a denim shirt that can be tucked in to accentuate the waist'

Denim shirt R179, MRP
Jeans R439, Miladys.
Necklace R230, Woolworths.
