Oh so chic at 53

JACQUELINE MATTY from Windsor has three children. She helps her husband run his hair salon locally, and also does part time lifestyle modelling.

Her look
Smart, sleek and well groomed. Jacquie learnt that grooming was all important from her first job as an air stewardess. So it's well-cut trousers for Jacquie during the day, and elegant dresses for evening.

It works for me
If it fits, then I like it, whatever the price. I often have to provide my own clothes for photo shoots, so need a wide range of classic styles.

We say
Keeping that youthful look means working with trends to suit your style, and Jacquie lives her comfort – easy to achieve with the new take on maxi dresses.
