G.o.T or FRIENDS?
FRIENDS. I loved that show.
Reading books or reading people?
Reading books. People are boring.
Outdoors or Indoors?
Indoors.
Gym or Couch?
Gym.
London or Mumbai?
Mumbai en route to London.
KKR or RCB?
RCB.
Pani Puri or Pizza?
Pizza! Deep Pan Margherita

Well we'd say, your legs!
Aww... thank you!

What is the naughtiest memory from your school days?
Lying to skip classes and driving around with friends was pretty naughty at that time, I guess!

Yes. Pretty much. Now imagine yourself to be stranded on an island and you have to select one option to get out of it:
a. Do a nude shoot for *FHM*...
b. Tell us that one thing that no one knows about you...
c. Indulge in a one night stand...
d. Come to our office and kiss the editor.
Now those are naughty options. I would chose to come to your office and kiss the editor... on the cheeks (winks).

Are you a fan of *Game of Thrones*? Do you think Jon Snow will make a comeback?
Oh, I am a big fan of *Game of Thrones*. I am yet to see the first episode of season 6, so don't you dare spoil it for me. I just hope that Jon Snow comes back. He is simply my favourite.

So who do you think will eventually sit on the Iron Throne?
I don't know. George Martin and the show makers are killing all the characters one by one. I am not sure who they want on the throne!

Oh, we're impressed. You have read the books and are following the show as well. When do we get to see you next on the 70mm frame?
My debut Punjabi movie, *Kaptaan*, is out on May 6. I'm hopeful that the movie will do well. I've worked very hard for it. Keeping my fingers crossed!
